

KALDERA

Born in 1985, Kaldera is a producer and DJ from Berlin. Being passionate about music production, he's been developing his vision of music over the past 5 years and is happy to share it now with his audience. His productions gather a deep techno wave and a keen ability to twist and tear the melody and rhythms, extracting intense flows from it. His mixsets are the right balance of interactions with the audience and a special taste for house music and the vibrations of Berlin techno.

Kaldera has already performed in key spots of the Berlin scene, like Tresor, Suicide Circus, Polygon or Ritter Butzke or festivals like Nature One etc..
